

Danielle Jonas, MSW, LCSW is a third year PhD student at New York University pursuing a doctorate in social work with a focus in pediatric palliative care, and specifically communication between providers and patients/parents. Prior, Danielle was a pediatric palliative care social worker on the Comfort and Palliative Care Team at Children's Hospital Los Angeles where she served as an interdisciplinary team member for the inpatient and outpatient service, as well as the bereavement coordinator and facilitated bereavement support groups for both parents and siblings. Danielle is a graduate of the Harvard Medical School Interprofessional Palliative Care Fellowship, specializing in pediatric palliative care and received her MSW from Indiana University. Danielle is passionate about bereavement support for siblings and families, communication around medical decision-making and staff support/moral distress.
