

Jenni Linebarger, MD, MPH, FAAP, FAAHPM graduated from University of Missouri School of Medicine in 2003 and completed a pediatric residency, chief year, Adolescent Medicine fellowship and Masters of Public Health at the University of Rochester before heading to Boston Children's Hospital for an additional fellowship in Hospice and Palliative Medicine. In 2011, she returned to her Missouri roots and became Medical Director of the Palliative Care Team at Children's Mercy Kansas City. For her work growing the presence of palliative care, the Department of Pediatrics awarded her the Clinical Care Achievement Award in 2018. In addition, she is director for the pediatric Hospice and Palliative Medicine fellowship with the University of Kansas (first fellow 2016-2017), faculty within the Pediatric Bioethics Certificate Course at Children's Mercy, and Chairperson of the American Academy of Pediatrics Section on Hospice and Palliative Medicine (SOHPM).
