

Kimberly Novod is an educator, doula, and health advocate. She is the founder of Saul's Light Foundation, a 501(C)(3) nonprofit, dedicated to supporting neonatal intensive care unit (NICU) and bereaved families in New Orleans. As executive director of Saul's Light, Ms. Novod is an organizational member of the Maternal Child Health Coalition, Children's Hospital Patient Family Advisory Council, NICU Parent Network, and the National Coalition for Infant Health. In 2014, Ms. Novod's son, Saul, passed away a result of complications from his premature birth. His legacy is the inspiration for the Saul's Light.
