

**Betsy Hawley, MA**, is the Executive Director of the Pediatric Palliative Care Coalition and has over 25 years of experience in nonprofit management in both healthcare and community development. As a passionate advocate, Betsy speaks extensively across Pennsylvania and nationally on coalition building and pediatric palliative and hospice care. Betsy works collaboratively with other state based pediatric palliative care coalitions to further meet the needs of families and medical professionals caring for medically complex children. She serves on the NHPCO Pediatric Advisory Council, the PA Task Force for Palliative Care, the Coalition for Quality at End of Life and the Patient Quality of Life Coalition.
